Pramod K. Bansal
Chief Mentor & Director

Dear Parents,

As the school re-opens after the month-long summer vacation, I sincerely hope you are in good health and spirits.

Hope the summer break was rejuvenating for you and your family. I hope the students got the much-needed break from studies and enjoyed quality time with family.

While summer vacation is a good time to unwind after strenuous exams schedule, it's also an opportunity to learn new things and acquire new skills. I am sure, you would have made best use of these summer holidays.

With the reopening of school it's time to get back to work and studies. I appeal to all students to make each day, a new day of learning.

As the monsoon is ongoing it's important for students to take care of their health and avoid eating out too much.

I hope students will take my advice sincerely and act on it. It is with this hope, this latest edition of Newsletter reaches you.

With best regards,

EXCELLENCE @ BPS
